

## Let's join forces and help businesses transform customer engagement

The Vtiger Solution Partner Program is a multi-tiered program for companies that want to grow their business by creating and delivering Vtiger Cloud CRM solutions to clients.

Vtiger offers valuable resources for partners to build, test, market, and sell Vtiger CRM by adding their value-added services, such as consulting, implementation, configuration, development, training, migration, and ongoing support.

## Why you should consider partnering with us

- Build a fast-growing, profitable business focused on one of the most critical areas
- Customer Engagement Leverage a comprehensive suite of customer engagement offerings by Vtiger
- Differentiate by developing expertise

## What we are seeking in our partners

- Ability to offer industry-specific customer engagement (cloud-based marketing, sales, and support) solutions
- Desire to resell cloud-based customer engagement solutions in regions where you have an installed base or intend to develop it further
- A genuine passion for customer success
